United States Senate
SELECT COMMITTEE TO
STUDY GOVERNMENTAL OPERATIONS WITH
RESPECT TO INTELLIGENCE ACTIVITIES
(PURSUANT TO S. RES. 21, 94TH CONGRESS)

WASHINGTON, D.C. 20510

July 16, 1975

Mr. William Colby
Director of Central Intelligence
Central Intelligence Agency
Langley, Virginia

Dear Mr. Colby:

Further review by the Select Committee has led to the identification of additional materials on the budgeting and management of intelligence programs needed in the Committee's study. Attached is a list of such materials, together with a listing of materials requested in earlier letters from this Committee and not yet delivered.

We have also included a statement of general issues which have guided selection of these requested materials, together with a set of specific questions to which written responses are needed. Accordingly, we would expect that materials which you deem pertinent to the listed issues and questions will be supplied, even if they have not been specifically requested. The issue statements also should prove useful to your staff in responding to ongoing interviews by the Committee staff.

Your early response to this request will be greatly appreciated in expediting the next phase of the Committee's study.

Sincerely,

Frank Church
